**Grobbelaar's Pet
Sitting Service**

My sister & I (aged 17 & 13) run our own pet-sitting business here in Charleston Village and have served numerous families over the past year. We are available to walk, feed, play with and bathe your pets so that you can leave them at home while you are gone. Our fee is negotiable depending on your needs - usually about \$10 to a \$20 per day.
